To register for this class please visit our Training page on our web site www.thePPIgroup.com.

We have two training locations to serve you:

Portland Office:
503.231.1576/800.247.1927

Seattle Office:
425.251.9722/800.558.5368

Working with your AutoCAD CUI

The PPI Group's Customizing your AutoCAD CUI is for persons proficient in using AutoCAD. This information packed half-day class covers the new Customize User Interface (CUI) in AutoCAD 2006.

The student will learn how to use the CUI editor and create commands as well as how to assign the command to different user interface (UI) elements, manage the display of the UI elements with the AutoCAD workspaces and use the Transfer tab to import customization from previous releases.

Understanding the CUI Editor

- Customization Pane
- Command List Pane
- Properties Pane
- Button Image Pane

Using Commands

- Creating commands
- Assigning a Command to a Menu
- Assigning a Command to a Toolbar
- Assigning an Image to a Command

User Interface with Workspaces

- Workspaces in the CUI Editor
- Workspace Toolbar

Migrating Menus from a Previous Release of AutoCAD

- Working with the Transfer Tab of the CUI Editor

Tips & Tricks

- Partial Customization Files
- Enterprise Customization Files
- Nonstandard shortcut keys

Autodesk
Authorized Value Added Reseller

about us:

As an Authorized Value Added Autodesk Reseller, the PPI Group will deliver the very best in service and technical support. With two decades of experience as an Autodesk partner, we have the knowledge base to be your expert. When it comes to learning, using, customizing and developing your CAD Environment, our staff can be your guide for products such as: AutoCAD®, Building Systems, Architectural Desktop, Revit® Building, Civil 3D, Land Desktop, Survey, VIZ, Map 3D and Raster Design. Leverage your relationship with us to empower your users to achieve leadership in design.
